### **A Notice of Accreditation Review Result**

Dear Dean Dr. Ratri Wahyuningtyas:

It gives me a great pleasure to inform you that the Master of Management program at the School of Economics and Buisness, Universitas Telkom, Indonesia that applied to the ABEST21 Accreditation on November 28, 2018 was accredited by the decision of the Accreditation Committee held on March 11, 2021 and the Board of Trustees held on March 16, 2021. We would like to inform you that on March 26, 2021, we reported the results to the Ministry of Education, Culture, Sports, Science and Technology of Japan as follows:

"The School's educational and research activities satisfy all or most accreditation standards. The School's Kaizen plans are excellent, and quality maintenance and improvement of education and research are very promising and excellent." Accreditation commences April 1, 2021 for a five-year period.

We commend the School's commitment to enhancing the quality of management education, and hope that ABEST21 accreditation will contribute to the School's efforts to meet the expectations of its stakeholders. Also, we are going to hold online individual Accreditation certificate-granting ceremony for accredited schools around the end of May. Further details will follow shortly.

Please don't hesitate to contact us if you have any questions.

With best regards,
